A. spoke Sunday at the series the Senate preparedness subcommittee. As a result, Senate invesfor not keeping its men out of the operators in Manhattan.

Real blame, according to Senate investigators, rests squarely or Biloxi authorities, who winked at law violations and openly conspired with the gamblers. Since the gambling trade lured free-spending tourists into the town, which in turn lowered local taxes, the townspeople refused to get stirred up over young recruits squandering one-third of their day.

That is why the air force may now retaliate by abandoning its \$43,000,000 expansion program at Keesler, which will cost the city more than it has been able to pocket in 10 years of playing tootsie with the racketeers. For most of

Sen. Johnson Says Possibility of Soviet Retaliation 'Absurd'

WASHINGTON, Nov. 5-(A) Senator Edwin C. Johnson (D-Colo.) today urged use of atomic weapons against the Communists in Korea-and said the possibility of retaliation by Russia is "too absurd to consider.'

Johnson, a member of the Senate-House atomic energy committee, spoke out against the background of the latest series of atmoci tests in Nevada. He declined to discuss the information he has about the outcome of those tests, except to say they showed "great progress" in building America's atomic might.

The Colorado lawmaker told reporters he saw "no conflict at all" between his call for use of atomic weapons in Korea and his statement last night that the small countries of the United Nations "must strike a hard blow for Korean peace right now before it is forever too late."

In that statement, Johnson said the United States and the other great UN powers have made only "futile efforts to end the violence in Korea and had "forfeited the trust" placed in them. He added that the small nations should insist that the UN General Assembly convening in Paris tomorrow remain in session "until a just solution is found."

Johnson said those views and his advocacy of atomic warfare Of Blackwater against the Communists in Korea are compatible because "we ought Dies At Maryville to conduct the war there on an all-out basis-one or the other.

Then he declared: "I would use the atomic bomb over there if I had my way. I and A. J. Widel went to Maryville think it could be used to great Monday, Oct. 29, where they atadvantage."

### **Commies Propose** All German Votes **Under Big Four**

many's Communist government has made a new proposal for all-by a son, John William Liddle, a German elections—to have them grandson and granddaughter of supervised by the four occupation Maryville. powers.

vants such elections under United Mr. and Mrs. Herschel Hooper of Nations supervision.

The Red offer to have the elections checked by Russia, the United States, Britain and France came in a letter from East German President Wilhelm Pieck to West German President Theodore

Heuss was not immediately available for comment.

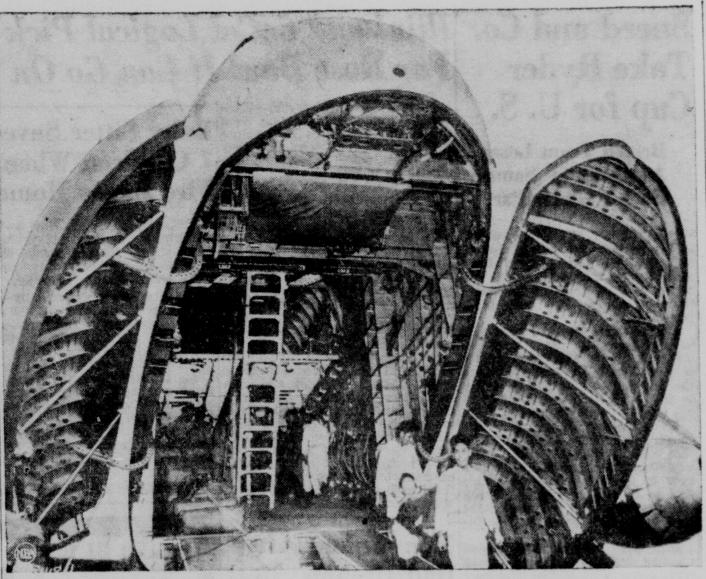

Pieck proposed that Heuss meet with him to discuss arrangements for all-German elections. He said wanted the two presidents to thrash out the election question because West German Chancellor Konrad Adenauer was following aggressive and militaristic policies.

# It's Not the Heat! It's The Humidity!

(No. 2 of a Series of Four)

Our clothing is made from a variety of fibers: wool, silk, nylon, orlon, dacron, rayon, acetate rayon, cotton, linen, to mention a few. Each of the fibers has its own pecularities when it comes to the amount of natural moisture it holds. Any fabric can hold its natural moisture content without feeling moist, and a fabric can take up more moisture on a day when the relative humidity is high. Consider wool! Its natural moisture content is much higher than cotton. It can absorb a lot of moisture without feeling damp. Because of this it requires less moisture to get a good press or finish on a woolen fabric as compared with cotton.

Ends Tonight! Mickey Rooney-Sally Forrest, "THE STRIP" Plus! Sid Melton "SKY HIGH"

Farmers are raising beef more rapidly than they are selling it. W. Reynolds, University of Missouri farm economist, says that beef cattle numbers are ex-pected to set a new high of 90 million head by the first of the

Economists expect the build up to continue for one to three years. Sooner or later, Reynolds says, these cattle will come to marketand farmers can expect price de-

In the meantime — because of small margins-its important to keep the cost of your gains as low as you can.

One of the best ways to do this says Roy I. Coplen, county extension agent, is to include a good pasture program in your balanced farming plans. Take a few acres each year, lime and fertilize according to the needs of the soil based on soil tests. Then seed one of the three grasses, brome, orch- Missouri Ranks ard grass or fescue with a light seeding of ladino. Use the grass Second In Use that best fits into your individual need and the character of the Of Limestone soil of the individual field.

Brome should not be used where the organic matter is less than greener in winter than the other feed for the year than orchard grass or brome where these are and Missouri farm

in less time Missing manpower calls for greater farm efficiency. That's why Power-Curve tires are your best buy. Each king-size cleat is braced to stand firm, give you full traction in reverse as well as forward. Your work goes faster because Power-Curve cleats won't slip or buckle, give you greater drawbar pull.

> Power-Curve tires stay clean because the whole tread is flexible enough to throw dirt free. Only clean cleats can give you maximum power. And you'll get longer wear from Power-Curve cleats because there's more rubber in the tread.

Put Lister Ridge tires on your front tractor wheels. For general side. Give easier steering and longer wear. In reversed position, the Lister Ridge rides the ridges.

READY TO TALK

TIPTON

# **Students Paint** Windows, Get Pay as Artists

By Mrs. Thomas W. Miller TIPTON - Students of the public and parochial schools did themselves proud with paint brushes on Tipton's store windows Tuesday afternoon.

Various Hallowe'en scenes and designs were drawn with water colors, all being neatly done and showing originality.

The window painting was a project of the Lions club which gave \$5 room prizes from the fifth grade of the elementary schools on thru

high school. A masked parade was held Hallawe'en night. This also was under the sponsorship of the Lions club in co-operation with Tipton business firms

Prizes were given for the best costume and altogether for drawings and parade, the prizes totaled

Lt. and Mrs. William A. Day and son, Kirk, of Houston, Texas, arrived last Thursday for a four day's visit with Mrs. Day's parents, Mr. and Mrs. George W. Lowe. Lt. Day, a pilot in World War II, is now a special service officer at Ellington field in Houston. Mrs. Day will be remembered as Miss Alda Lowe.

Other visitors in the home of Mr. and Mrs. Lowe over the weekend were their sons and families Mr. and Mrs. Harold Lowe and daughters Carol Jean, Sue Ellen and Linda of St. Louis and Mr. and Mrs. Gentry Lowe and daughter, Mary Ann, of Carrollton, Ill. Lt. and Mrs. Day and son were and Mrs. C. M. White and family. and families.

Saturday afternoon at the city came the parents of a sevenhall an annual meeting of the German Mutual Fire insurance association of Tipton was held.

Frank Lang was elected secretary of the organization, taking the place of John Dueber, who resign-

Mr. Dueber was elected a threeyear director, along with John Koechner and George Huhmann was elected a director for a two-year term. Mr. Huhman fills the vacancy of John Kuttenkuler, who has moved into Tipton.

Hold-over board members are Paul Orscheln, Oscar Knipp and

Other husi ded voting a 30c annual levy on the \$100 assessed valuation. Joe Dueber is president of the

### CONSTIPATION GONE— FEELS FIT AS A FIDDLE!

"For years I suffered from constipation. Regular use of ALL-BRAN has just done wonders!" Mrs. H. E. Deyo, 118 Halliday,

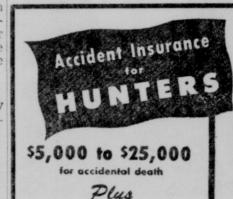

San Antonio, Texas. Just one of many unsolicited letters from ALL-BRAN users. This happy feeling can be yours, too, if vou suffer from constipation due to lack of dietary bulk. Eat

an ounce (about 1/2 cup) of crispy Kellogg's ALL-BRAN daily, drink plenty of water! If not completely satisfied after 10 days, send empty carton to Kellogg's, Battle Creek, Mich. DOUBLE YOUR MONEY BACK!
